To whom it may concern;

Please note that I worked for Runway Towing Corp. from February 12, 2011 through July 28, 2012. When I was hired, I was told that they would deduct \$50 per week from my weekly paycheck for tax purposes paying me \$375.00 a week. This was okay with me as I wanted to build my credit. I would work there six days a week with 60 plus hours each week and never received any overtime from them. At the end of the year I never received the tax forms from them so that I could file my income taxes. I followed up several times and got the run around — while they continued to withhold the \$50 each week from my paycheck. Talking to other employees at the company, I found out that I was not the only employee they did this to — after which I decided to leave the company.

Sincerely,

Develatin Parki
